

# Houston Area Woodcarvers Newsletter

October 10, 2011

Volume 3, Issue 10

## President's Message

This is going to be short so the newsletter can be processed before everyone is off to Kerrville next week.

If you missed the show, you missed having a great time. The classes and show were great. I would like to thank everyone for helping to make it a great show. Also thanks to our teachers and vendors, and thanks to the Church for having us. But the biggest thanks goes to Carolyn Smith for all of her hard work in making the show what it was.

Thanks Carolyn!

Hope everyone had a great time, and I will see you at the October meeting.

Ronnie

## October 15th Class and Meeting Location

Helen Havemann will teach the Plummer Santa or Santa in a Sack. The cost is a \$5 donation to the club to help purchase the wood we use in all of our meetings and classes. Bring your knife and gouges.

The meeting on October 15th will be at Bayland Community Center as usual, however, the room location will change to the annex. This is the room used for elections, and it is South of our usual room and East of the kitchen.
