President's Message

Hi Folks,

Time to gather again for our Club meeting; March 21st, starting at 9:00 a.m. So grab your tools, show & tell, and a good helping of fellow-

ship, and get on down there.

We had a few items discussed by the membership at the February meeting, but nearly all were tabled for further considerations. What this means is we need everyone to make the meeting to share their views or experiences on some of the club's topics so that we may move forward.

Thanks to everyone who brought in a Show & Tell, this is one of the keys and always a high point of our meetings!

Thanks also to Fred

Carter for having the Ozark Characters project; this is another key to our meeting.

Fred Stratton informed the club that Woodcraft has stopped the 10% discount for being a club member. However, the manger of our local store plans (for now) to continue the discount only on the day of the meeting to current club members, so best bring your 2015 membership card with you if you shop after the meeting.

Hope to see you at the meeting! Joe
