### “HumJack” with Ronnie Boston

Ronnie Boston will teach the class this Saturday, September 19, 2015. We will learn how to carve a “HumJack.” It is a hummingbird from one view, and it’s a Jackass from the other. Bring your regular carving tools and expect to have fun carving this guy.

### October 1 & 2 at Faith Lutheran Church

It’s not too late to sign up for your choice of the two carving classes scheduled for October 1 & 2, Thursday and Friday preceding the Show. Carolyn Halbrook will teach a Chip Carving class and Lance Rath will teach a standing sailor carving class. You can sign up for these classes at our September meeting this Saturday.

## President's Message

Hello All,

The time has come for our regular meeting this Saturday 19th. We will have a regular meeting in the regular place. Next month, October 3rd, the Fall

show will be considered the meeting for that month so if you are shooting for perfect meeting attendance plan on going to the show. Even better, reserve a table or two at this meeting so you can have your own full blown show & tell next month!

Speaking of the Fall show( October 1&2), Lance Rath wanted everyone who signed up for his class to know he will be available at this meeting to help start the sailor project. The project has a lot of detail, so this is a great chance to get the rough work out of the way and spend the class

time on the detail.

Lin Swalley may still be working on the Library( I forgot to check with her), but let's leave the front table empty just in case.

Don't forget to bring in your raffle - prize items so Buddy Ives or Jim Berry will have them for set-up at the show.

Looking forward to seeing everyone,

Joe

## HAWC Annual Show

The facility is located inside the West Loop (610) on the northwest corner of Bellaire Blvd and Avenue B in Bellaire. Basically, the location is at the first traffic light inside the Loop. The address is 4600 Bellaire.

Table reservations will be accepted at the September meeting. Also, you can sign up for your choice of the two carving classes scheduled for Thursday

and Friday preceding the Show. Carolyn Halbrook will teach a Chip Carving class and Lance Rath will teach a standing sailor carving class.

Raffle tickets will be sold at the show. Jim Berry is the Show contact for raffle donations. The raffle is a fund raiser for HAWC conducted at the Show.

Dallas Deege will be at the Show with his Old Texas Woodcarvers Shop. He will be selling tools, books and other carving supplies.

Show time is 9 a.m. to 5 p.m.. The Thursday and Friday classes also are scheduled for 9 to 5.

Volunteers will be needed Friday afternoon to help set up tables for the Show, as well as volunteers to help take tables down and clean the room. If you have a shop vac, please bring.

Thanks to those who have signed up for the Show. If you have questions or want to make a table reservation prior to the meeting, give me a call—713/828-5334—or e-mail [goitex@swbell.net](mailto:goitex@swbell.net).
