### President's Message

Hi Folks,

Judy and I really enjoyed the X-mas party, and if you missed it you missed a good one. A special thanks to everyone who took care of the all the extra to-dos that go in for making a successful party.

I hope everyone had a great holiday and are now recharged to dig in for a great New Year! The list for people who volunteered to host a pro-

ject for this year is about half full; we need a few more members to share their ideas or skills with the club so we have a full year of activities.

Speaking of volunteering, nearly all of our club's officers will reach the time limit set in the by-laws this year or have been doing the things that need to be done for a long spell & need a break. This is going to be repeated at every

meeting, so the sooner you put in for a position - the sooner we can stop bringing it up! Shen Liang has broken the ice by taking on the Treasurer position, so volunteer early before all the good jobs are gone!!

Hope to see everyone at the meeting this Saturday 23rd. (Remember to be ready to pay you membership dues for 2016)

Joe

### Carving a Bark House with Mike Moeskau

Mike Moeskau will teach carving a cottonwood bark house this Saturday, January 23, 2016. See Mike for details.
