President's Message

As you probably are aware by now, the 46th Annual HAWC Show and Sale and the associated classes have been cancelled. I'm not certain how many members suffered flooding from Harvey, but those who did are dealing with more serious matters than a carving show. Those who didn't have damage to their

homes or other property, may like me, be busy helping friends who weren't as fortunate. The Bayland center is open though, and I hope to see as many of you as possible on our regular meeting day. It will give us an opportunity to find out who among us may need a little extra help.

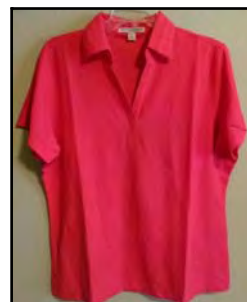

Ronnie's "Throw Down" Class

We do not have a formal class scheduled for September. However, Ronnie Boston has a "throw down" class/exercise ready for those

who would like to join him. He is not saying what it is, but all you need is a sharp knife, v tool, carving glove and to be ready to carve.

Club Shirts are Here

All of the club shirts you ordered have arrived. Shelley will have them ready for you at the meeting this Saturday. Please remit any payments
