Heron with Lance Rath

Lance Rath will teach carving a heron this Saturday. If you signed up you should get a seat in the class. Check with Lance to see if additional places are available.

Vice President's Message

Thanks for Supporting the Show

Thank you to all who participated in the 47th HAWC Show, Sale and Competition.

The show was a success by all measurements, including the upward trend in table registrations. The carvings, as displayed on your tables, looked exceptionally good and the competition carvings displayed the outstanding talents and

diversity of our novice and advanced carvers.

Congratulations to Mike Crosson for his "Best of Show" carving of his grape leaf.

Also, thanks to the volunteers who helped set up the tables Friday evening, and take down and clean up after the show, along with those who were instrumental in the show organization during the months and weeks leading up to

the show.

The Wednesday, Thursday and Friday classes had good participation, setting the trend for the fun on display during Saturday's show. Further, our thanks are extended to the class instructors, Dallas Deege, Wanda Reichert and Orlando Villarreal.

A special thanks goes out to our show sponsors—Woodcraft

(North and South), Rocker's and Houston Hardwoods. Continue to support the sponsors as they have continued to support our show.

Finally, the show had excellent attendance by visitors who came to see your carvings, demonstrations and whittling contest.
