Reminder: 2020 dues are due.

February 10, 2020

Volume 12, Number 2

Dave Stetson Moons with Ronnie Boston

This Saturday Ronnie Boston will teach us how to carve a moon. See examples. These are based on an article by Dave Stetson from Woodcarving Illustrated. He has many cutouts.

For Ronnie's ongoing classes starting up again in March and running through the end of the year, he will teach a new Christmas ornament each month. He will not have the class in October or December.. For the ornament classes, there will be only 8 cutouts each month.

Art Show for John Kidd

On March 21, 2020, fellow HAWC club member John Kidd will have an art exhibit at his parent's home. The time will be 6:00pm to

8:00pm. The address is 7903 Leader St., Houston, Texas 77036. Gail Plunket has attended a previous show for John and encouraged all of

us to attend to see his wonderful artistic creations. John will be bringing a flier to our February meeting with all the details.

President's Message

HAWC got off to a good start in 2020. The January meeting had good attendance despite the change to the fourth Saturday of the month. Starting with the February meeting we are back on the third Saturday of the month schedule. Lance Rath had good class

attendance for his heron class, which was the completion of the class that started at the November meeting. As well, Mike Moeskau had sizable attendance for his tool identification class.

Ronnie Boston will be teaching the February class. The project will be a “crescent moon”. Ronnie will be active this year. As announced at the January meeting, he will teach an intermediate class each month except for the October Show month and the December Party month. His projects will be a different Christmas ornament each month. Ronnie's class will be in addition to the regular monthly classes.

We are expecting three new carvers for Pete's beginner's class. Carolyn Smith received an e-mail regarding two carvers looking for a beginner's class. In addition, I received an e-mail looking for a February beginner's class.

Regarding Pete's class, if you have a carving tool or two you are not using, consider donating to Pete for the beginner's class. You can check with Pete to determine what tools he might need.

As a reminder, January marked the start of a new HAWC year. That means it's time to pay your 2020 membership dues. Look for dues box at the meeting.
