**NEXT MEETING SEPTEMBER 19 AT 9 AM!**

### President's Message

By my count it has been six months since we've gathered for the HAWC monthly meeting. That last month was February.

Starting with September we'll look to future activities. As mentioned in the August Newsletter, there will be an HAWC meeting in September. If you haven't already marked your calendar, circle Saturday September 19 as the date for our

monthly gathering at Bayland Community Center.

We will have a "come and carve time" starting at the usual 9 am. In case you've forgotten, that's the third Saturday of the month. We won't have a carving class or a business meeting. It will be an opportunity to carve together again and get reacquainted with fellow HAWC members.

Bayland has some

requirements we need to consider. For instance, the 50% occupancy restriction for our room means 35 is the most we can have in the room. If we have more than 35, we'll take advantage of a shady place outside for carving. There's also a 6-foot social distance regulation, and a face mask is recommended.

From an HAWC stand point, the face mask is strongly

recommended. Also, it would be a good idea to bring your own disinfectant.

During the time off, a number of our members have been taking advantage of the HAWC Face Book Page to post their carving photos, including those they've carved during the down time. Continue posting your carving photos on the Page. It's an excellent substitute for the monthly

“Show and Tell” table.

Plus, the Page has drawn the attention of carvers and non-carvers who are not

HAWC members. Several visitors have posted carving photos while others have left comments related to the posted carvings. The site is

not limited to HAWC members. The visitors represent an excellent membership recruiting opportunity.

See you September 19.

The Houston Area Woodcarvers meet from 9am-2pm on the 3rd Saturday of the month at the Bayland Park Community Center, 6400 Bissonnet St., Houston, TX 77074. There are special Covid-19 restrictions for the meetings. We are limited to 35 people in our meeting room, otherwise we will meet outside. Six foot social distancing is required, and face masks are strongly recommended. Please bring your own disinfectant. If you are unable to attend our meetings, we encourage you to join our Facebook group: Houston Area Woodcarvers.
