## President's Message

Members should have received a second round of information packets for the HAWC annual Show, Sale and Competition. This will be HAWC's 50<sup>th</sup> Show.

One packet includes a form for Show table registration, competition categories, competition judging criteria and a box lunch order form. A second e-mail includes information on this year's Show carving classes and a class registration

form.

Again, the Show will be held at Faith Lutheran Church, 4600 Bellaire Blvd. The date is Saturday, October 16 with four carving classes scheduled for Wednesday, Thursday and Friday (Oct. 13, 14 and 15).

Class instructors this year are Wanda Reichert, Carolyn Halbrook, Dallas Deege and Lance Rath. Wanda will teach relief carving, Carolyn will teach chip carving and Dallas will

teach face carving. Lance will teach a bear project. Photos of the various class projects are included as part of the class e-mail.

Since there are a number of Show projects that need to be completed in advance of the Show, it important to finalize your plans for the Show at the earliest. That means register.

While you are considering the Show, mark August 21 on your calendar as a reminder of our

monthly meeting. Ronnie Boston will teach the August class. The project is a Christmas sweater that can be used as a Christmas ornament. Photos of the project can be found in the Newsletter.

Ronnie also will teach the September class. That project will be an "eagle head bolo". He will have a sample at the

August meeting for your review.

We are starting to accept donations for the Show raffle. Bring your donations to the August meeting. The raffle is a popular part of the Show.

On an important HAWC note, Carolyn Smith reports the e-mail address has changed. The new e-mail is

[houstonwoodcarvers@yahoo.com](mailto:houstonwoodcarvers@yahoo.com).

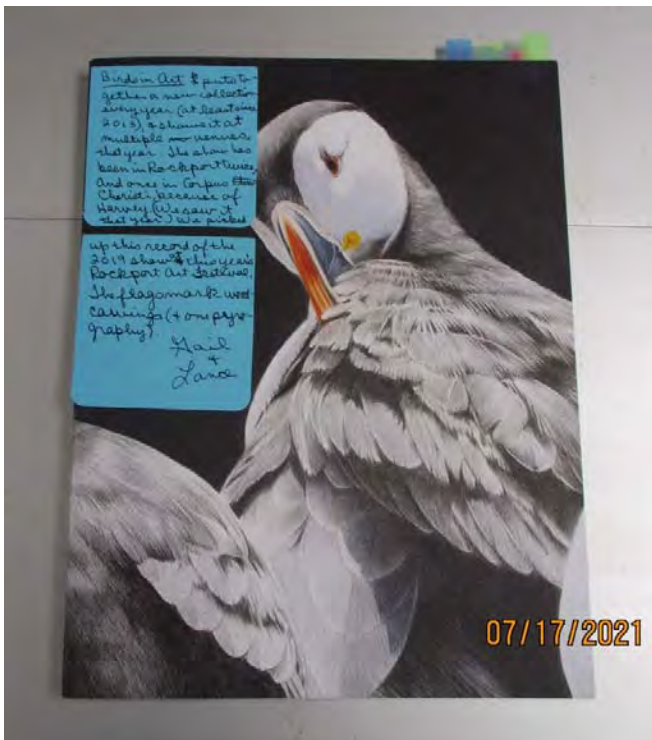

As you make plans to attend the August meeting, encourage your member and non-members friends to attend. We're slowly getting back to normal. Still there are familiar faces missing.

Hope to see you there,  
Buddy
