President's Message

HAWC is fast approaching the end of another year. To put it another way, we have reached the last meeting of 2021. The meeting date is December 18 at Bayland Community Center from 9 am to 2 pm.

For the most part, the December meeting is a time for carving and having fun with fellow members. There is a change in the December schedule from previous years. We will not have the standard Christmas lunch. However, we will have the traditional carving gift exchange with Santa Claus participation. As always, to receive a carved gift you must bring a carved gift to participate in the ex-

change.

As we approach the year end, it's a good time to remind our long time members, as well as our newer members, of a little club history. HAWC was established in 1970. That date makes our carving organization one of the oldest, if not the oldest, in the state. In fact, several of the early members helped organize other carving groups. Our thanks are extended to all our 2021 carving class instructors. Now it's time to look ahead to the 2022 monthly classes. If you are interested in teaching a class next year, let us know in short order so we can start planning the schedule.

Also as the year comes to an end, it's that time when we start collecting HAWC dues for 2022. Our treasurer will be happy to accept dues at the December meeting.

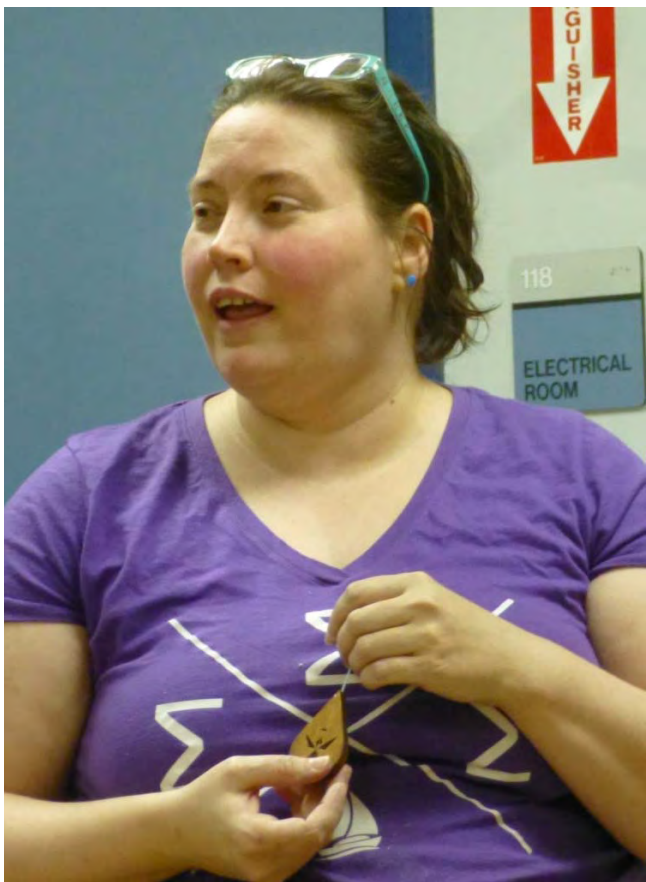

The monthly meeting attendance has been holding steady at a good number, especially the last three months. Still there is room for improvement to reach the pre-2020 attendance numbers. For this last meeting of the year, encourage your member and non-member carving friends to participate in the December activities. See you December 18,
Buddy
