Welcome to a new year!

President's Message

Time to mark your calendar again!

This month's meeting is on January 23, the fourth Saturday of the month. The Houston Area Woodcarvers will gather then at Bayland Community Center for its monthly carving gathering. We will follow the format of the September, November and December gatherings. There will be no business meeting or carving classes. However, there will be a "Show and Tell" so bring those carving projects you've been working on to display for the group. Carving will start at 9 a.m. as usual.

The Bayland staff has reminded us that the occupancy restriction for our room is 35.

Plus there is a social distance requirement. As mentioned in previous Newsletters, if we have more than 35 we will find a place for the overflow. A face mask is recommended and disinfectant should be on your list to bring.

At this date, the plan is to return to a regular meeting in February, provided we can remember what makes up a regular meeting. Of course, this is subject to change. We will also return to our regular meeting date on the third Saturday of the month, be it a meeting or a carving gathering. For your records, that date is February 20.

For those who didn't make the December gathering, you missed a fun time. We didn't

have the traditional Christmas lunch, but we did have the gift exchange led by Santa Claus.

In the event you didn't see the December Newsletter, there was some interesting news. Considering the light meeting schedule in 2020, the club's main expenditures for the year included the insurance renewal and postage related to those who receive the Newsletter by regular mail. As a result, the HAWC treasury is in good shape.

Considering the treasurer's report, the officers made the decision to carry over 2020 dues through 2021. If you paid dues in 2020, you will not be required to pay 2021 dues. If the treasurer's report

President's Message (continued)

shows you did not pay dues in 2020, you will be required to pay 2021 dues. On the other hand, if 2020 dues paying members decide to pay

2021 dues, HAWC will accept the donation.

On a final note, a mass has been discovered in Wanda Reichert's right kidney. She will have surgery this month.

We pray for a successful surgery and a speedy recovery.

Stay healthy and see you January 23rd.
