Tool Sharpening with Lance Rath

There is a change in the carving class at the July 17 meeting. Lance was scheduled to teach a bear project. That project has been moved to the October show. The new class project will be one that has not been held in several years. Lance will teach a “tool sharpening” class. This is a “how to” class. We will need instructors for our August and September meetings.

President's Message

HAWC is moving forward to its annual Show, Sale and Competition. For those who are counting, it's our 50th Show.

As it has been in recent years, the Show will be held at Faith Lutheran Church, 4600 Bellaire Blvd. The 2021 date is Saturday, October 16, with four carving classes scheduled for Wednesday, Thursday and Friday (Oct. 13, 14 and 15),

For the past few months, the President's Message has mentioned that Orlando Villarreal was returning to our Show this year to teach his popular carving class. Unfor-

tunately, Orlando had to cancel his time with us due to medical issues on the home front.

Information on this year's carving classes can be found attached to the e-mail sent out July 8. Instructors this year are Wanda Reichert, Carolyn Halbrook and Dallas Deege. Lance Rath is the fourth instructor replacing Orlando.

Wanda will teach relief carving. Carolyn will teach chip carving and Dallas will teach face carving. Lance is scheduled to teach a bear project.

ing class at the July 17 meeting. Lance was scheduled to teach a bear project. That project has been moved to the October show. The new class project will be one that has not been held in several years. Lance will teach a “tool sharpening” class. This is a “how to” class. We will need instructors for our August and September meetings.

Regarding the business side of the July meeting, there will be a reminder to pay 2021 dues. Also, there will be further discussion on what to do with the HAWC library. Bayland Community

President's Message (continued)

Center will be taking over the closet where the library is currently housed.

The HAWC Face Book page is active by members and visitors. This activity offers an opportunity to recruit new

members.

Now is the time to finalize your plans to participate in the October 16 Show, as well as encourage other members and non-members to participate.

And while you're at it, encourage those people to attend the July 17 meeting. We're slowly getting back to normal, but we're still missing some familiar faces.

See you July 17, Buddy
