Hummingbird with Preston Smith

This Saturday Preston Smith will teach us to carve a stylized hummingbird. See the pho-

President's Message

By this date you are aware our 2022 Show, Sale and Competition has been canceled. The slow response and number of table registration didn't meet our Show or financial needs.

With only a hand full of table registrations, it was determined that the table numbers would be insufficient for our show and wouldn't cover the financial requirement. However, all is not lost. The carving classes

scheduled to be held in conjunction with the Show still will be held. The dates are October 13 and 14 at Bayland Community Center starting at 9 am.

Also by now, you should have received a Class Information file and a Class Registration form. The Information file shows that the Orlando class has been canceled. Although Orlando wants to return to the Houston Show, he says the cost of

traveling from Michigan to Texas this year is highly expensive. Dallas Deege and Butch Wilken are scheduled to teach their class projects. A search for a third instructor is underway. You will be informed on the search progress. Nevertheless, sign up for the classes and sign up now. There is one other point of importance to the group. With the Show canceled, there will be

President's Message

a regular monthly meeting in October. As usual, it will be the third Saturday of the month starting at 9 am. Looking ahead, the September meeting will feature Preston

Smith teaching the monthly class. The project is a stylized hummingbird. It is an excellent project. Further, September will feature six Scouts carving at the beginners table with Dallas

teaching. Don't forget to bring carvings for "Show and Tell". And don't forget September 17 at Bayland.
