JUNE'S MEETING IS THE 4TH SATURDAY, JUNE 22, 2024

President's Message

Hello fellow Woodcarvers,
We have kind of a full month this month. Our club will be meeting on Saturday June 22nd, 9-2 at The Bayland Community Center on 6400 Bissonnet St. I have also included some pics of the raffle items for the meeting. I want to give a little explanation of some of the items.

I purchased a profile 1000 grit waterstone for sharpening. (I wish I bought one for myself. 😊) Also available is a book written by Vic Good to help improve your carvings. I am also proud of the large block of Basswood 4x8x8" that I procured for the raffle. FYI, Carolyn & Preston will be officiating the club meeting as I will be at the Woodworking Show that day.

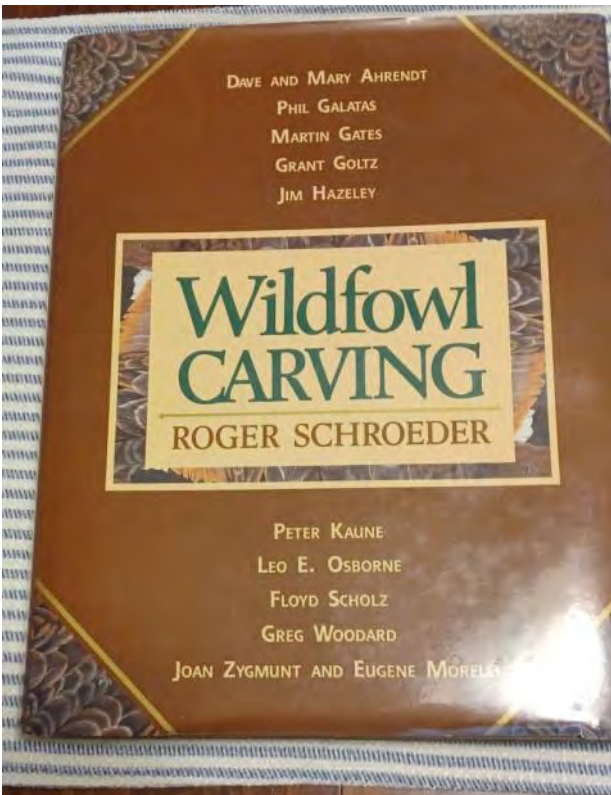

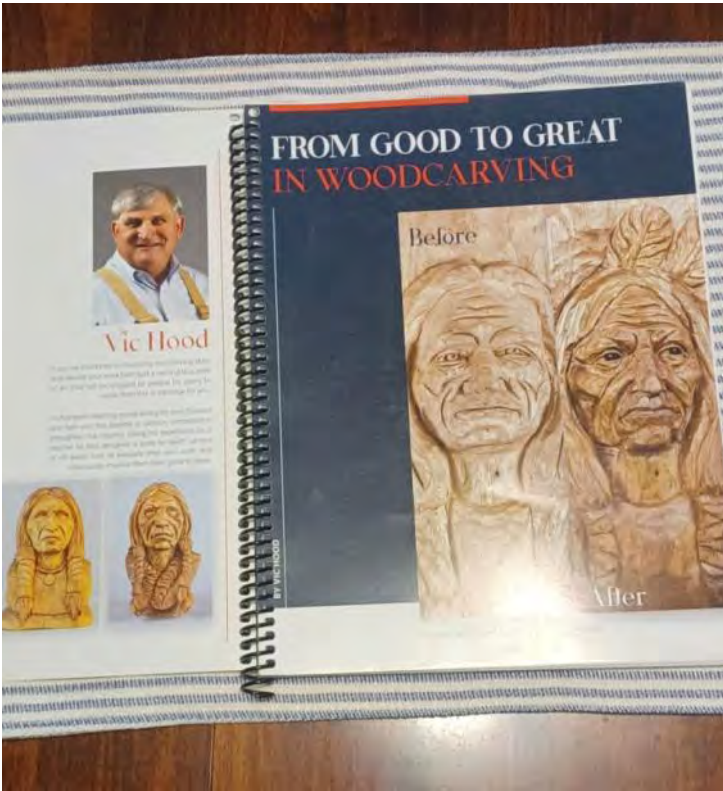

Speaking of The Woodworking Show, this will be going on through the weekend. I've attached the show flier and the schedule of those helping man the club table. Having said that, we still have room available for

additional volunteers. I've been told that Flexcut tools has donated a number of tool catalogs as well as discount coupons for their tools that we will make available. Those that are volunteering at the table please remember to bring a couple of your carvings to display as well as a carving for you to work on while at the show. One last thought, Carolyn has had a bunch of club fliers printed out for us to hand out at the show.

I want to thank everyone that has volunteered and has helped with the show table. Thank you! I hope to see you all soon!

Kenan

Woodworking Show Flyer

SAVE THE DATE: JUNE 21-23, 2024

Houston Woodworking Show

A WOODWORKING SHOW FOR WOODWORKERS BY WOODWORKERS

The Gulf Coast Woodturners will have lathes and turners to support individuals who want to be a part of the PEN TURNING FOR VETERANS. They will assist in turning a pen that will then be donated to The SGT. Joe Kelly Freedom Pens Project, dedicated to supporting our veterans. You can then turn a second pen that you will be able to keep.

Something for everyone!

The 2024 Show will feature all of the latest tools and supplies our local woodworkers need to support their efforts.

Demonstrations, presentations, and educational seminars will be conducted throughout the show.
