President's Message

Happy New Year y'all!

I trust that this message finds you in good health and all is well! We are facing some rough weather; I hope that y'all take the necessary steps to insure your safety. My family has been very busy moving my mother in law into her new digs, it's been quite trying.

The club is still dealing with the policy changes

that have occurred with Bayland over the last year. We had hoped that a solution would have been met by this time; there has not been one. Having said that, we have to cancel the January meeting because we have no location to meet. The good news is, Shen has procured us a room for the month of February.

I am sorry that this information is coming so late in the month. We had hoped that we would have reserved a room at the last hour, but that didn't happen.

I look forward to seeing you in the month of February. Happy carving!

Kenan

NO MEETING THIS JANUARY

The Houston Area Woodcarvers will not meet this month, January, 2025, due to difficulty in booking a room at Bay-

land Community Center. Our next meeting will be February 15, 2025 in the Art Room—across the hall from Room

9 (adjacent to where we meet now). Thanks to Shen Liang for taking care of the bookings.

The Houston Area Woodcarvers will meet next month from 9am to 2pm on February 15, 2025, in the Art Room across from Room 9, at the Bayland Park Community Center, 6400 Bissonnet St., Houston, TX 77074.
