President's Message

Hello my fellow woodcarvers,

It looks like we are finally able to meet at Bayland this month. What a trial this has been! We have Shen to thank for that! She and Jamie and Carolyn have been trying to ensure we have a place to meet this month. I want to thank everyone for their help during this time!

I do hope that you have been able to do some carving on your own and look forward to seeing your work for our "Show & Tell" seg-

ment of the meeting! Please try to make it to this month's meeting we have some things that we need to take care of!

Most of you know that my position technically ended in Jan. but due to the lack of a meeting place it was pushed back. This should be the meeting where we elect a new president of the club. Your involvement is necessary.

In addition, the last meeting Lance was leading the carving class on bear carving. If you still haven't completed

your bear, Lance will be available to continue the bear carving. Speaking of Lance, he will be a contributing artist in the Woodlands Waterway Art Walk on the weekend of April 11-13. Everyone is invited to stop by and say "Hi." He will have more details at the meeting.

"Way to go Lance!" 🐻

I look forward to seeing y'all at Bayland Community Center on March 15th from 9-1 in the Annex next to the kitchen.

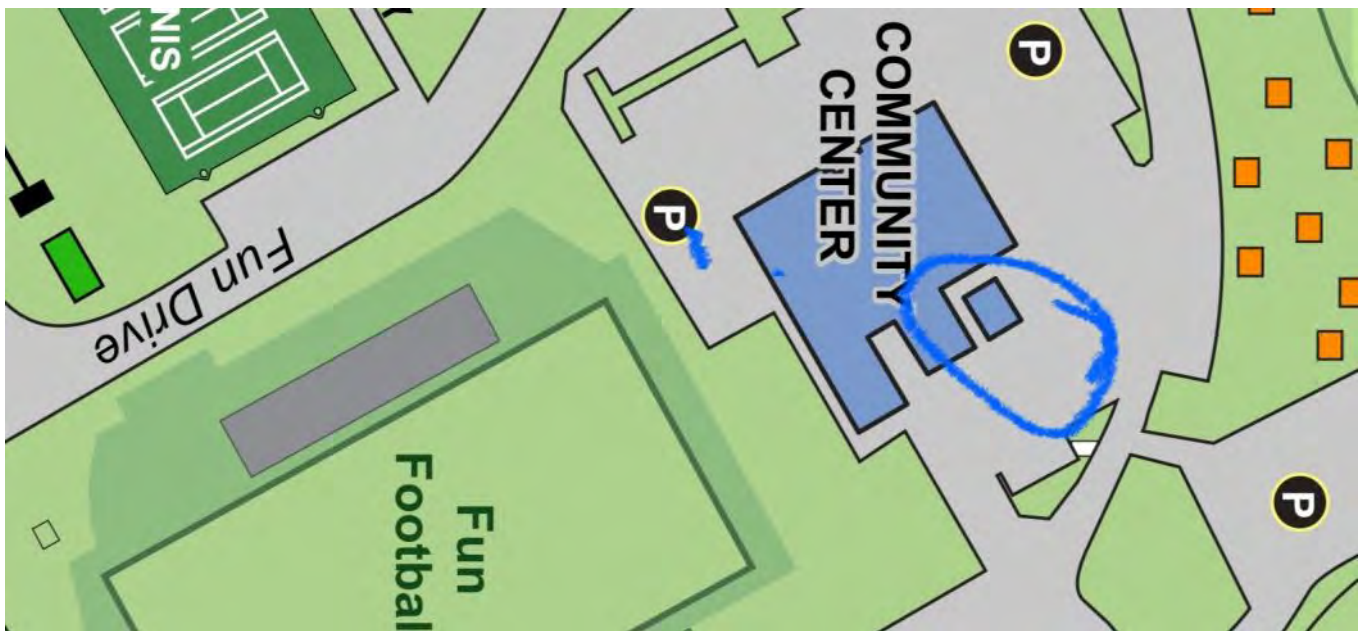

Kenan
