

**46<sup>th</sup> Fall Show and Competition  
Class Information  
September 27 & 28, 2018**

**Class No. 1**

**David Borg** — Hatching Dragons and Other Critters

**2-Day Class:**

- Class Cost:** Cost \$40 per day, plus \$10 to \$25 for blanks
- Participants:** Minimum of 8-12
- Skill Level:** Beginner, Intermediate & Advanced.
- Tools Required:** Gloves and standard carving, knives, gouges, etc.
- Texturing Option 1:** Standard carving tools (no power equipment required)
- Texturing Option 2:** Rotary tool, small carbide ball and dust collector)
- Texturing Option 3:** Woodburner

Students can pick from 20 rough outs of hatching dragon or other critters. There are multiple methods of texturing your project—woodburner power or carving tools. Bring your rotary tool and dust collector if you intend to use them for texturing. If you don't have either, a few will be available from the instructor. The class will teach carving techniques that can be used on other carving projects.

## **Class No. 2**

**Dallas Deege — Caricature Faces**

**1, 2-Day Class:**

**Class Cost:** 1-day class, \$45, plus \$5 blank, 2-day class, \$90, plus \$5 blank

**Participants:** Minimum of 6-10

**Skill Level:** Beginner, Intermediate & Advanced.

**Tools required:** Glove, Carving Knife, Palm Tools, V Tools, Gouges, etc.

Class is structured for one on one instruction with some group lectures. Emphasis is on teaching caricature techniques on facial expressions Those interested in competing in whittling contests the class will be a big help. Dallas will even include some secrets to winning a whittling contest. Students will learn how to layout and carve a face out of a block of wood 1 ½" x 1 ½" x 5". Most students can finish a carving each day.
